

The 2009 1-krona coin

The 1-krona coins issued in 2009 will carry a different motif on the reverse than the 1-krona coins issued previously. The reason for this is to commemorate the 200th anniversary of Finland's separation from Sweden. The obverse of the coin remains unchanged, with the same portrait of King Carl XVI Gustaf as before.

Further information on the coin can be found at www.riksbank.se under the heading Notes & Coins/Coins/1-krona.
